**Re: Communications 1 Cablevision, Inc./KTTC; Retransmission
Consent Agreement**

Dear Ms. Broughton:

Communications 1 Cablevision has been reviewing the Retransmission Consent Agreement with our markups and taking in consideration of your replies about such markups. We have come to the conclusions that the Fees that are requested and the Most Favored Nations comments are not acceptably and through a good faith clause are not going to carry KTTC-TV.

Thank you for your assistance.

Sincerely,

Randolph (Randy) S. Yeakel
General Manager / Director
